

How to draw a terrible terrific Troll

Instructions by Katie W, Stewart

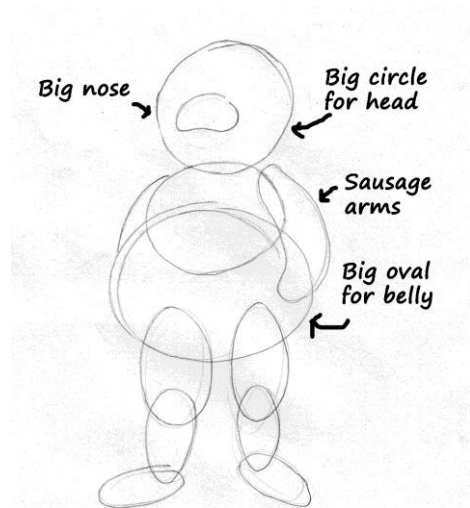

Figure 1. Draw rough shapes in pencil.

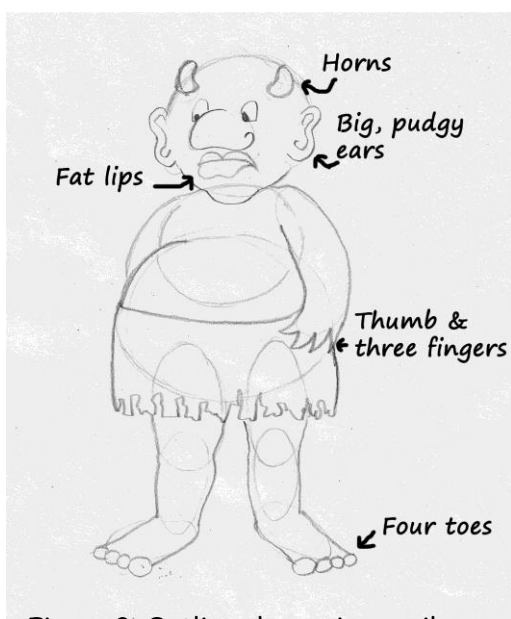

Figure 2. Outline shapes in pencil. Add features like face, clothes, fingers and toes

Figure 3. Add more details (still in pencil) like hair, warts and cracks in the skin.

Figure 4. Go over all the important lines in black pen. Erase all the pencil marks.

Figure 5. Colour in your Troll. Give him (or her) a really ugly name.
